Green Campus Committee Meeting

April 6, 2011

Present: Diana Cvitan, Kent Fairfield, Ed Lynch, Mutiara Mohamad, Cynthia Radnitz, Alice Benzecry, Jamie Zibulsky, Rich Panicucci

Earth Day: Cynthia received a contract for the tent. Diana will follow up and arrange for the billing. Mutiara arranged for the drummers and Cynthia arranged for an electronic musician to perform. Alice has the posters for the event. Alice will try to get students to put up the posters. Alice will forward the paperwork to Ed to obtain proof of insurance for the vendor providing the popcorn and the drink. Cynthia will send a message through the provost’s office and student life about Earth Day and the Book exchange.

There will be a poster contest. Alice will ask the library if we can put them up right outside the library. Kent will make up a poster for a table advertising that students can sign up for the river clean-up. Ed asked facilities for a truck to transport the plants.

Rich asked Cynthia to send Michelle Vacarro an email confirming we ordered 6 3-foot sandwiches (3 veggies no cheese, 3 veggies with cheese) at $50 each. The sandwiches should come at 12:30 pm at the library circle.

We contacted Allen about setting up the stage and the PA system. He will set up the PA system. For the stage we will see how much the rental will be and whether we can afford it.

Garden: We are meeting with the landscaper on Monday at 1:30 pm.

Next meetings: Tuesday, April 12 at 3:15 pm. Susan B. Anthony Conference Rm.
