Jeanne Clery Disclosure of Campus Security Policies and Campus Crime Statistics Act

Annual Report 2007
The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a federal law that requires colleges and universities to disclose information about campus crime and security policies.

The Clery Act was signed into law in 1990 as the Crime Awareness and Campus Security Act of 1990. This act was spearheaded by Howard and Connie Clery after their daughter was murdered at Lehigh University in 1986. Amendments to the act in 1998 renamed it in memory of Jeanne Clery.

The Clery Act requires colleges and universities to:
- publish an annual report every year by October 1 that contains three years of campus crime statistics and certain campus security policy statements
- disclose crime statistics for the campus, public areas immediately adjacent to or running through the campus, and certain non campus facilities. The statistics must be gathered from campus police or Public Safety, local law enforcement, and other University officials who have significant responsibility for student and campus activities.
- Provide “timely warning” notices of crimes that have occurred and pose an ongoing threat to members of the campus community.
- Disclose in a public crime log any crime that has occurred on campus or within the patrol jurisdiction of the campus Public Safety department and is reported to campus police or Public Safety department.

Fairleigh Dickinson University Metropolitan Campus Department of Public Safety is responsible to prepare and distribute the report for the campus. This report is also available on the Fairleigh Dickinson University website at www.fdu.edu. Members of the Metropolitan campus community are sent a notice that describes the report and the web address. For a paper copy of the report, contact the Department of Public Safety at 201 692-2227 or email dmiles@fdu.edu.
Department of Public Safety

The safety and security of the campus and campus community members are the responsibilities of the Department of Public Safety. The department, under the direction of a campus director consists of 33 full time staff members. Public Safety personnel patrol the campus 24 hours a day, 365 days a year. The officers patrol the campus on foot, motor vehicles and bicycles. The officers also man the dispatch area and they answer all calls for assistance as well as emergencies.

The Department of Public Safety members are non sworn university employees who do not have police or arrest powers. These officers enforce university policies. Public Safety officers attend a full week of training through the department’s in house training academy. This in house academy provides officers with a basic understanding of campus Public Safety as well as university and department procedures. Officers are also now being registered and trained under the NJ State Police Security Officer Registration Act (SORA). In addition officers attend advanced training courses either on campus or at local police academies. All officers are trained in basic first aid, CPR and AED.

Fairleigh Dickinson University Metropolitan Campus Department of Public Safety has excellent working relationships with both Teaneck and Hackensack Police and Fire departments as well as county and state agencies. Information is shared between the departments in an effort to maintain a safe campus environment. Local police officers are contracted to work at various University events throughout the year. All serious matters are promptly reported to the local police. At the request of any victim, the Department of Public Safety will provide assistance by contacting the local police. In all cases, a report will also be maintained at the Department of Public Safety office.

Reporting of Crimes or other Emergencies

The policies of Fairleigh Dickinson University Metropolitan campus, which are enforced by the Department of Public Safety, are made known to students, faculty and staff either through the Employee Handbook or the Student Handbook.

To report any crime, emergency or campus violation, call the Department of Public Safety at 201-692-2222 or 66 if using an internal campus telephone or come to the Department of Public Safety at 870 River Road in Teaneck. Whenever making a report, please provide a full account of the type of incident, who was involved, what type of incident it was, where it took place, when it took place and why it may have occurred. Also try to provide witnesses or descriptions. In any instance where you witness any serious crime, emergency or other safety or life threatening situation, please call 911. Do not call 911 unless an immediate and true emergency exists.
A. Timely Warnings

Anytime that a serious situation arises either on campus or in the immediate area of
the campus that in the judgment of the Director of Public Safety in consultation with
the Campus Provost, poses an ongoing or continuing threat to the campus community,
a campus “Timely Warning” will be issued. This warning will be issued through the
FDU Alert system, voice mail or telephone notification, e mail, posted on the
University website, posted notices, public address announcements, and direct contact
with individuals.

B. Confidential Reporting

Any member of the campus community may report violations of the law or other
matters of concern using the “Silent Knight” witness form on the Metropolitan
Campus Department of Public Safety website. All reports received will be
investigated. In addition both Teaneck Police and Hackensack Police have an
anonymous telephone reporting Crime Stoppers Tip Line. The tip line can be reached
at the following numbers: Teaneck Police 201 833-4222 and Hackensack Police at
201 488-4222.

C. Annual Report

The Director of Public Safety is responsible to obtain, review and report all the
needed aspects of the annual report. Crime statistics from the required geographical
areas to Fairleigh Dickinson University Metropolitan Campus from local law
enforcement jurisdictions are requested as required.

D. To whom Crimes should be Reported

The Clery Act requires that persons designated as “Campus Security Authorities”
notify the institution about crimes they have learned about from persons believed to
be acting in good faith. At the Metropolitan Campus of Fairleigh Dickinson
University, “Campus Security Authorities” must report these crimes to the Director of
Public Safety. “Campus Security Authorities” include (Public Safety Personnel) staff
members who have “significant responsibility for student and campus activities,
including but not limited to student housing, student discipline, and campus judicial
proceedings”. These persons are listed as follows:
Admissions Office Professional Staff
Advisement Office Professional Staff
Dean of Students Staff
EOF Office Professional Staff
Enrollment Services Professional Staff
Financial Aid Office Professional Staff
Human Resources Professional Staff
International Student Services Professional Staff
Residence Life Staff including Resident Assistants
Student Life Staff including advisors

Professional Counselors and Pastoral Counselors

Campus Professional Counselors and Campus Pastoral Counselors, when acting as such, are not considered to be “Campus Security Authorities” and are not required to report crimes to be included in the annual report of crime statistics. As part of the Fairleigh Dickinson University policy, these persons are encouraged to inform persons being counseled of all the procedures in place to report crimes on a voluntary basis to be included in the annual report of crime statistics. Fairleigh Dickinson University also encourages Professional Counselors and Pastoral Counselors to report all crimes which they become aware of. This can be done without identifying any of the individuals involved if they want to remain anonymous but it makes other members of the campus community aware of the crime.

The Clery Act defines counselors as follows:

Professional Counselor: An employee of an institution whose official responsibilities include providing psychological counseling to members of the institution’s community and who is functioning in the scope of his/her license or certification. At Fairleigh Dickinson University Metropolitan Campus, this means all counselors employed in Student Counseling and Psychological Services (S-CAPS) as well as any consulting psychiatrist.

Pastoral Counselor: An employee of an institution, who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling and who is functioning within the scope of that recognition as a pastoral counselor. At Fairleigh Dickinson University this means all clergy or others appropriately recognized as fitting that definition who are associated with Campus Ministry.

Monitoring and recording criminal activity at off campus locations

The Department of Public Safety through the close working relationships with local law enforcement also deals with crimes and other serious incidents that occur off campus that may involve a Metropolitan campus student. The Department of Public Safety will
promptly act on any information that is received from an outside agency concerning members of the Fairleigh Dickinson University community and will conduct an investigation on information received. Findings of that investigation concerning student misconduct will be forwarded to the appropriate campus office, Dean of Students, for any disciplinary action. This includes any students engaged at off campus locations of student organizations officially recognized by Fairleigh Dickinson University, as well as any student organizations with off campus housing facilities.

**Campus Daily Crime Log**

The Clery Act requires that the campus maintain a daily Crime log covering the most recent 60 day period. The Metropolitan Campus daily Crime log is located in the Department of Public Safety and is available for viewing 24 hours a day, 365 days a year. The log contains information about the nature of the reported crime, the date and time reported the general location and the disposition of the incident. All crimes not just Clery Act reportable crimes are entered into the log. Log entries must be made within two business days of the report being made to the Department of Public Safety. There are two exceptions when entries are excluded from the log, the first when the disclosure is prohibited by law and the second if the disclosure would jeopardize the confidentiality of the victim. There are also four cases where information may be temporarily withheld from the log. This withholding can only take place when there is clear and convincing evidence that the release of the information would (1) jeopardize an ongoing investigation: or (2) jeopardize the safety of an individual: or (3) cause a suspect to flee or evade detection: or (4) result in the destruction of evidence. Any requests for information past the current 60 day period will be provided within two business days.

**Access to Buildings and Facilities**

Campus academic buildings are generally open from 7AM-11PM, Monday through Friday. Office buildings are generally open from 9AM-5PM, Monday through Friday. Residence Halls are locked 24 hours a day and only open to students registered to live in the building and any guest they have registered. Access to any building after hours and on weekends is limited unless there are classes or other authorized function being held. Public Safety does checks of all buildings and University identification must be provided upon request and authorization to enter any building must be documented and on file. The only exception will be any event that is open to the public.

Alcohol and Drug Policy

Many students already have used alcohol by the time they arrive on campus. Some students have only limited experience with the effects of alcohol. Many already have had problems related to alcohol use. A third group of students have not used alcohol at all. For each of these groups of students, it is important to establish and follow personal guidelines for choices about alcohol use and nonuse. As you think about your choices, it is helpful to remember that there are benefits to using alcohol safely and wisely and benefits from abstaining from alcohol use. For many people, alcohol is a complement to social events, good food and conversation with friends or family. For others, alcohol may be part of family tradition or ritual. Some people simply like the taste of wine with a meal or a cold beer on a hot summer afternoon. Abstaining from alcohol also has benefits. Alcohol-free lifestyles allow people of all ages to be free to grow in their ability to manage stress and develop life skills without the interference of alcohol. People who abstain have no risk of developing alcoholism. For those with a family history of alcoholism, a choice to remain abstinent will help break the cycle of addiction. Lastly, abstinence from alcohol is a lifesaving choice for people recovering from chemical dependency. Choosing to use or not to use alcohol is a personal choice for which each student is responsible. At any age, we are responsible for the consequences of our decisions. For example, nationwide a high percentage of date or acquaintance rapes on campus are alcohol-related. Alcohol use affects judgment and can result in vandalism and aggressive or even violent behavior. Sexually transmitted diseases and unplanned pregnancies occur more often when judgment is impaired by alcohol. Driving after drinking can result in legal hassles and crashes causing serious injury or death. For students, excessive alcohol use is a major factor in academic problems. Many times people who have been drinking too much say and do things that can hurt people they care about or love. College is a time for building relationships and alcohol can make that difficult.

Guidelines

Safe and wise choices about using or abstaining from alcohol will enhance health and reduce the risk of experiencing the wide range of alcohol-related problems that some college students have experienced.

Here are a few guidelines to help you think about your choices:

1. **The use of alcohol is a personal choice.**
   No one should feel pressured to drink or be made to feel uneasy or embarrassed because of a personal choice. However, peer pressure and internal pressure to fit in and successfully integrate into the college scene can exist. Many people will choose to use alcohol safely, moderately and appropriately. Others will simply have no desire to experience the effects of alcohol. A small percentage of students may use alcohol unsafely or appear to use it excessively. Everyone has the right to decide how they want to use, or not use, alcohol. If a student feels he/she is struggling with this decision or the pressure of self/others, he/she can always speak to his/her resident assistant or a counselor at Student Counseling and Psychological Services (SCAPS).
2. **Alcohol use is not essential for enjoying social events.**

The real value of parties and other social activities is meeting new people, being with friends and taking time out from the pressures of school and work. Drinking alcohol should not be seen as a necessary component for having fun and being with friends. If alcohol is used, it can be an enjoyable complement to other activities, not the only reason for socializing. Actually, focusing on alcohol use as the main reason for a party can result in intoxicated people who get sick, cannot carry on a conversation and generally aren’t much fun to be with after a while.

3. **Know when to abstain from alcohol.**
   - When under the legal drinking age
   - When pregnant or breastfeeding
   - When operating equipment: cars, motorcycles, boats, firearms, machinery, etc.
   - When studying or working
   - When performing in fine arts or competing in athletics
   - When taking certain medications

Each of these situations presents specific risks and are times when alcohol use should be avoided. As caring friends, we can help each other choose not to use during these times.

4. **Drinking that leads to impairment or intoxication is unhealthy and risky.**

Getting drunk is not a condition to be admired, laughed at or taken lightly. Rude, destructive or just plain foolish behavior triggered by alcohol use is socially unacceptable. It also may indicate an alcohol-use problem. Drinking games often result in drunkenness and can present serious risks for those involved. Alcohol poisoning is a potentially fatal condition that is the result of drinking too much, too fast. Warning signs of alcohol poisoning are vomiting, slow or irregular breathing (less than 8–12 breaths per minute or more than 10 seconds between breaths); cold, clammy skin, bluish-skin color or paleness; mental confusion, stupor, coma or unable to rouse a person; no response to pinching the skin; and/or seizures. A person seeing or knowing anyone with these signs must get help immediately.

5. **Know personal limits of moderation.**

Everyone who chooses to drink alcohol should know his or her personal limit of moderation. It is important that each person set the limit before having any alcohol. It is also important to know a few facts about alcohol and its effects before establishing personal limits.
   - Drinking on an empty stomach can have a greater effect on judgment and behavior than expected.
   - Alcohol’s effects can be greater than expected when a person is feeling tired, stressed out, angry, lonely or other strong emotions.
   - Because of differences in body composition and chemistry, females are affected more than males of equal weight after drinking the same amount of alcohol.
   - The effects of alcohol vary with body weight and the strength and number of drinks.
6. There are ways to minimize health and safety risks when serving alcohol. Examples include:
- Emphasize other activities besides drinking.
- Offer a variety of attractive nonalcoholic drinks that are easily available.
- Provide a variety of foods.
- Be sure to have designated drivers who abstain from alcohol.
- Inform guests whether beverages such as punch contain alcohol.
- Stay alert and assume responsibility for helping a guest who may have had too much to drink.
- Create an environment that allows guests to feel comfortable making a personal choice about alcohol use or nonuse.
- Avoid drinking games that can quickly lead to intoxication.

7. Avoid situations where someone else’s alcohol or other drug use may put you at risk.
- Make an alcohol-intake plan for the day/evening ahead of time and stick to it. Think about the goal ahead of time and how to achieve it.
- Make a plan for getting to and from an event.
- Eat before drinking, and eat while drinking.
- Space and pace the drinks.
- Drink water between drinks.
- Avoid drinking games.

What to Do on the Metropolitan Campus

All conversations are strictly confidential and focus on offering information, sharing feelings and making you feel comfortable in exploring your choices and personal guidelines. General Requirements of the Drug-free Schools and Communities Act: Amendments of 1989
The Drug-free Schools and Communities Act Amendments of 1989 (the Act) requires an institution of higher education, as a condition of receiving funds or any other form of financial assistance under any federal program, to certify that it has adopted and implemented a program to prevent the unlawful possession, use or distribution of illicit drugs and alcohol by students (and employees). The following describes the Act’s provisions as applied to students.
As part of its drug prevention program for students and employees, Fairleigh Dickinson University annually distributes in writing to each student (and employee) the following information:
• standards of conduct that clearly prohibit the unlawful possession, use or distribution of illicit drugs and alcohol by regularly matriculated students (and employees) on its property as a part of any of its activities;
• a description of applicable local, state and federal legal sanctions pertaining to the unlawful possession, use or distribution of illicit drugs and alcohol;
• a description of health risks associated with the use of illicit drugs and the abuse of alcohol;
• a description of available drug and alcohol counseling, treatment, rehabilitation and re-entry programs; and
