Green Campus Committee Meeting
February 29, 2012

Present: Jamie Zibulsky, Cynthia Radnitz, Kent Fairfield, Mutiera Mohamed, Mary Morhineway, Joshua Stout

Planting: Planting day is March 11 at 11 am. Mary will buy the seeds and be reimbursed. Joshua will make sure they are watered. Joshua will check to see how they’re doing.

Earth Day: Time is 11:30-3:00 pm, Wed. Apr. 25. Place Green between Becton and University Courts.

Music: Mutiera will ask the drummers to come again. Cynthia will ask another ract. We need to request a ck to be cut 2 weeks before to pay the musicians. $150 for each act. 1st act noon to 12:40. 2nd act from 2:00-2:40.

Contact the donor about annual Earth Day. Ask him to be a vendor. Put a note that we can have the sign on the Greenhouse, but Craig needs to see the actual sign.

We will have a ceremony to acknowledge the garden’s first bloom. Joe K. has agreed to speak at the event. Michelle has put it on the calendar.

Allen looked into games. Cynthia will speak with Kathy about using them.

Kent reported that there is a team to do the river cleanup. Kent met with the Green Team (8 or 10 students). He may take the lead in getting them together. He will ask the Green Team about Earth Day. He will let us know when the next Green Team meeting is.

Cynthia contacted the Dean of Students and Res Life and we are approved as an organization for campus restitution that would involve cleaning up the campus. Cynthia asked the group if anyone would be willing to supervise.

Jamie will make a brief flyer to give to students. Jamie will create a Microsoft word flyer. Jamie will get it to Joe Kiernan to circulate a flyer and whomever circulates flyers to the undergraduates. We will also share it with our own school directors. Joshua will speak to people in his department. We will also contact the radio station.

Mutiera will request tables. Cynthia will look to see how many we had last year.

The international students are required to attend extra activities outside class. Mutiera will offer Earth Day to those who don’t finish on time.

Cynthia will call about the tent.
We have food. Craig approved it and Michelle ordered it. We don’t have drinks. Volunteers for the river clean-up will get pizza and a coke.

We need to contact public safety about parking passes/spaces.

Yelena’s class will make posters as part of their course requirement. Hopefully, they can be run off by Miriam. Jamie passed along information to Yelena.

Cynthia contacted the head of food services, they played phone tag. She will contact him again.

Jamie has a letter for encouraging professors to think of links between Earth Day and Academics.

Kent will be the interim executive director for ISE next fall. He will think about building bridges between the ISE and this campus.

Next meeting: 3:45 pm on Wednesday, March 28 in the Susan B. Anthony Conference Room
