Summer......................................................................................................... April 1

HOW AND WHEN DO I APPLY FOR FINANCIAL AID?
To apply for federal, state and University funded financial aid, you must file the Free Application for Federal Student Aid (FAFSA), which is available at your high school guidance office, from our financial aid offices or online at fafsa.gov in mid-December. It is recommended that you file the FAFSA by February 15. The FAFSA should be sent to the address provided on the form.

HOW DO I DECIDE WHICH CAMPUS TO ATTEND?
If your choice of major is offered at only one campus, your campus choice will be determined by your major. Otherwise, we suggest that you visit each of our New Jersey campuses to decide which is the best fit for you.

WHAT IF I’M UNDECIDED ABOUT MY MAJOR?
FDU offers incoming freshmen an “Undeclared” option in business or liberal arts. This option allows you to work with an academic advisor during your freshman year to choose a major. You are required to choose a major by the sophomore year.

IS AN ADMISSIONS INTERVIEW REQUIRED?
No, but we do recommend one — it gives us the chance to get to know you on a personal level.

HOW LONG WILL I HAVE TO WAIT FOR AN ADMISSION DECISION?
Fairleigh Dickinson University offers a rolling admissions plan, which means that we will give you an admissions decision shortly after we have received your completed application and all supporting documents.

DOES MY LETTER OF RECOMMENDATION HAVE TO COME FROM MY GUIDANCE COUNSELOR?
Not necessarily. If you have a former or current teacher, a current or previous employer or someone from your community who can recommend you, we would be happy to accept recommendations from them, too.

WHAT IS MOST IMPORTANT WHEN YOU EVALUATE AN ADMISSION APPLICATION?
In evaluating an application, we consider a grade point average and the difficulty of the courses you selected in high school as the criteria most indicative of your ability to succeed at Fairleigh Dickinson University. The combination of your grades and level of difficult courses is weighted heavily in the admissions decision. SAT/ACT scores are another important component, and are also a consideration in the scholarship nomination process.

HOW IMPORTANT ARE EXTRACURRICULAR ACTIVITIES TO THE APPLICATION DECISION?
Fairleigh Dickinson University seeks students who will add value to an already exciting campus environment. If you participated at the high school level in sports, the performing arts or student leadership positions, please let us know. If you’ve performed some type of community service, volunteer work, or if you have had to work while in high school, we want to know about that, too.

HOW DO I APPLY FOR ACADEMIC SCHOLARSHIPS?
All first-time freshmen are automatically considered for our academic scholarships. No separate application is required. However, priority consideration is given to students who apply by January 15.

HOW DO I BECOME ELIGIBLE FOR THE ALUMNI-TRUSTEE-FA CULTY ENDORSEMENT GRANT?
To qualify for the Alumni-Trustee-Faculty Endorsement Grant, your application must be endorsed by a Fairleigh Dickinson graduate, faculty member or University trustee. This endorsement will qualify you for a $1,000 grant in your freshman year or, if you are a transfer student, for the first year after you transfer to Fairleigh Dickinson. You must enroll as a full-time undergraduate student carrying 12 or more credits. On page 15, you will find the Alumni-Trustee-Faculty Endorsement Form. The signed form must accompany your application for admission. The grant is available only for the first year of study.

CAN I APPLY ONLINE?
Yes. It’s easy and only takes about 15 minutes. And we waive the fee for online applicants. For complete details, visit fdu.edu/apply.

The Educational Opportunity Fund (EOF) is a state-sponsored program that provides financial and academic assistance to economically disadvantaged students who are New Jersey residents. The program selects students who have the potential to succeed in college, but who lack the educational credentials to be admitted through the University's regular admissions process. The EOF program includes a financial aid package that meets the cost of attending Fairleigh Dickinson; personal, academic and career counseling; tutoring and study skills training; and special seminars and workshops. General income information for program eligibility is provided on page 3 of this booklet to assist you in determining whether or not to file for the EOF program.

NOTE: In addition to completing this form, EOF applicants must also submit the regular Application for Undergraduate Admission and file the Free Application for Federal Student Aid (FAFSA) for EOF consideration. The $40 application is waived for all EOF applicants. Applicants should also arrange to have their high school transcripts and SAT scores sent to Fairleigh Dickinson. For more information on the EOF program, call the EOF Admissions Coordinator at 973-443-8904 or the appropriate campus EOF office at 201-692-2409 (Metropolitan Campus) or 973-443-8566 (College at Florham), or visit fdu.edu/eof.
