*All telephone and fax registrations must be accompanied by a valid credit card number.
Registrations are only accepted with payment in full.

FDU is fully approved by the Chief Administrator of the NJ Motor Vehicle Commission (MVC), to offer the NJ Motorcycle Safety Education courses.

License is not guaranteed. The State of New Jersey requires that all participants have a current and validated Motorcycle Permit from any state (this includes MVC’s written test and Eye Examination). There are no exceptions. New Jersey residents who successfully complete the basic course and have no restrictions on their license or permit may receive a waiver of the New Jersey MVC motorcycle road test.

Please see the other side of this form for complete registration procedures and policies. Registrations are not complete without payment in full.

Registration and Refund Policy — FDU Motorcycle Safety Education Program

Payment in full is required at registration. Registration by telephone can only be completed by providing a valid credit card number. Registration can be made by mail by completing a program application form and submitting it with a check or money order for the entire amount. FDU reserves the right to schedule students for alternate class dates than those requested by students on the registration form. Registrants who refuse the alternate dates will receive a full refund. Registration can be made in person at the FDU Office of Continuing Education in Hackensack, N.J., from 9 a.m.–5 p.m., Monday through Thursday. Cash payments can be made in person at the Continuing Education Office only during the above hours. DO NOT SEND CASH VIA MAIL. Registration changes or cancellations must be made NO LATER than five full working days before the start of the course. Tuition, minus a $20 registration fee, will be refunded for cancellation made before this deadline. Non-cancellation changes in registration made before this deadline will require payment of an additional $25 rescheduling fee. ANY REGISTRATION CHANGES OR REFUNDS FOR CANCELLATION AFTER THIS DEADLINE WILL BE MADE ONLY AT THE DISCRETION OF THE OFFICE OF CONTINUING EDUCATION.

Classes begin promptly, and students are required to attend all sessions on time. Students can be removed from the class by the instructors if they are more than 15 minutes late for class. Students removed from class for tardiness will forfeit their entire tuition and registration fees. No exceptions. Students without a validated motorcycle permit or license will be removed from the class. Students who fail to cancel or reschedule their registration prior to the deadline and who do not attend class, or who voluntarily drop out of the class, or who are removed by the instructor for either tardiness or safety reasons, will not receive a refund of either their tuition or registration fees. Exception to this policy is made to individuals with an illness who provide a note from a physician. FDU reserves the right to cancel classes without prior notice for any reason. Students registered for a canceled class may either reschedule for a later course at no additional cost, or may opt for a refund of their tuition and fees.

Please note that this is a physically demanding course.
