This form should be completed by those individuals identified as “campus security authorities” who are required to report information they receive about specific crimes: murder, sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, arson and hate crimes that manifest evidence that the victim was intentionally selected because of the perpetrator’s bias based on race, gender, religion, sexual orientation, ethnicity/national origin or disability. The information collected from these forms will be used to prepare a compilation of statistical crime information that will be included in the campus’ Annual Security Report.

It is the policy of Fairleigh Dickinson University Florham Campus to ensure that victims and witnesses to crime are aware of their right to report criminal acts to the police or Public Safety, and to report University policy violations to the appropriate University office. However, if a reporting person requests anonymity, this request must be honored to the extent permitted by law. Accordingly, no information should be included on this form that would personally identify the victim without his/her consent.

The Department of Public Safety will use this form to determine the category of the crime and location under which the crime should be reported according to the requirements of the Clery Act.

Please forward this completed form to:
