U.S. LOCATIONS
At Fairleigh Dickinson University, you will find two locations in northern New Jersey. Once you have selected your academic major, you may find that it is offered on both U.S. campuses — giving you the opportunity to choose both the living and learning environment that you like most.

Both U.S. locations are less than an hour from New York City. They offer students easy access to the resources of New York City while providing safe, suburban environments. The campus distances from New York City are 10 km (Metropolitan Campus) and 56 km (College at Florham).

Metropolitan Campus, Teaneck, NJ
For International and Professional Studies
The University’s Metropolitan Campus, located in the dynamic New York/New Jersey corridor in Teaneck (Bergen County), features a university atmosphere with an international perspective, attracting students from the U.S. and around the world. Undergraduates have access to the resources of a major graduate center, and nearby New York City is an integral part of their learning experience. Accelerated bachelor’s/master’s options are among its many professional preparation programs.

College at Florham, Madison, NJ
For a Classic College Experience
The University’s College at Florham, located on a former Vanderbilt-Twombly estate in suburban Madison (Morris County), offers undergraduates a classic experience for the contemporary world in a small college setting. Its focus is on providing outstanding on-campus and residential living opportunities, hands-on learning experiences, strong graduate and professional school preparation, and customized educational options — all framed by a global perspective. A variety of graduate programs are also offered at the University’s College at Florham.

INTERNATIONAL LOCATIONS
Wroxton College
Wroxton College is the University’s own overseas campus, located in Oxfordshire, England. It offers Fairleigh Dickinson University students outstanding study abroad options.

FDU Vancouver
Beginning in Fall 2007, Fairleigh Dickinson University will offer undergraduate degrees in business management and information technology in Vancouver, British Columbia, one of the most scenic, cosmopolitan and multicultural cities in the world.

ACCREDITATIONS AND APPROVALS
Fairleigh Dickinson University is accredited by the Middle States Commission on Higher Education and licensed by the State of New Jersey Commission on Higher Education. FDU’s Silberman College of Business holds prestigious accreditation by AACSB International — the Association to Advance Collegiate Schools of Business. Many of the University’s individual academic degree programs, including several in the Gildart Haase School of Computer Sciences and Engineering, are accredited by the appropriate professional and educational agencies.

The term “university” is used in British Columbia under the written consent of the British Columbia Ministry of Advanced Education effective May 8, 2006. Fairleigh Dickinson University, having undergone a quality assessment process and been found to meet the criteria established by the Ministry, is the first non-Canadian institution to gain approval under the stringent standards adopted by the Ministry in 2003.
APPLICATION REQUIREMENTS

Read the Information and Application Instructions sections on pages 2 – 3 and submit the following:

2. Application Fee – A check or bank draft for $40 (U.S. dollars), made payable to Fairleigh Dickinson University, should be included with your application. IMPORTANT: This fee is waived for applications received before August 28, 2007.

3. Transcripts – For first-year bachelor’s degree applicants, official transcripts must be sent directly from your secondary school (high school and/or post-secondary institutions) to Fairleigh Dickinson University’s Office of International Admissions. The transcript should include all courses in progress. First-year bachelor’s degree applicants are required to submit transcripts from each secondary school attended.

For transcripts not in English, a notarized or certified English translation must accompany the original transcript. A transcript is official only when it is sent directly from an institution to Fairleigh Dickinson University’s Office of International Admissions, or when it is submitted with the application in a sealed envelope stamped by the institution.

4. Recommendations – You should submit two letters of recommendation. For first-year bachelor’s degree applicants, at least one must be written by a teacher or school counselor. If the applicant has been out of university for several years, a recommendation from an employer may be submitted. All letters of recommendation should be written on letterhead stationery and submitted to the Office of International Admissions either directly from the recommender or in sealed envelopes accompanying the application.

5. Standardized Test Scores – First-year bachelor’s degree applicants are encouraged to submit results from the Scholastic Assessment Test (SAT) or the American College Test (ACT) directly to the Office of International Admissions. While the tests are not required for international applicants, submission of test scores often increases the student’s chance of admission and receiving a scholarship. Information concerning these examinations can be located at www.collegeboard.com or www.act.org.

Test code for the SAT is 2263.
Test code for the ACT is 2552.

6. English Proficiency – Applicants whose native language is not English are required to submit the results of a test of English proficiency to the Office of International Admissions. Students from Australia, the Bahamas, Bermuda, Canada, Ireland, New Zealand and the United Kingdom do not need to submit test scores.

The TOEFL (Test of English as a Foreign Language) is the most frequently submitted test. However, applicants may submit the results of other recognized tests including the IELTS. Applicants who score 420 or higher on the SAT critical reading section may waive this requirement.

TOEFL

TOEFL scores recommended for application to Fairleigh Dickinson University are:

- TOEFL-C (computer-based): 213 or higher
- TOEFL-I (Internet-based): 79 or higher
- TOEFL-W (paper-based): 550 or higher

The test code for the TOEFL is 2263.

IELTS

The required IELTS score is 6.0 or higher.

Applicants who attended an American or English-speaking Canadian high school for more than two years and have earned passing grades in English courses may request that the TOEFL/IELTS entrance requirement be waived.

The ELS Language Center, with locations throughout the U.S. and in Vancouver, offers intensive English language programs. Fairleigh Dickinson frequently offers conditional admission to students who wish to complete level 112 of the ELS intensive language program. For more information and an application, contact ELS at 604-684-9577 or visit www.elscanada.com. Classes begin monthly.

7. Passport – If available, a copy of the applicant’s passport should be submitted.

Applicants for fall semester admission which begins in late August must submit all application materials to the Office of International Admissions by July 1. Applicants for the Summer 2007 Pre-University or Early Start programs should submit the application by March 1.

Students are admitted on a “rolling basis”. An admission decision is usually sent within three weeks after submission of a complete application.

ADVANCED STANDING
Entering first-year bachelor’s degree students can qualify for advanced standing for academic credit earned by the following methods:

• Through Advanced Placement (AP) examinations administered each May by the College Entrance Examination Board;
• Through the International Baccalaureate (I.B.) program; or
• By requesting transfer credit for advanced secondary school studies. For example, A-level results or the 13th year of education.

EDUCATIONAL REQUIREMENTS

PRE-UNIVERSITY AND EARLY START PROGRAMS

Pre-University Program
The Pre-University Program provides advanced English language training for students who meet the University’s admission standards but require additional training in English (in speaking and/or writing) prior to matriculating at FDU-Vancouver. Students enrolled in this program, in addition to English speaking and writing courses, can take up to two university courses as part of their Pre-University Program (a pre-calculus or calculus course and a computer technology course).

Students admitted to the Pre-University Program shall carry a conditional admittance to the University but must successfully complete 12 or (with MATH1107) 13 credits of course work during the Summer 2007 semester before matriculating at FDU-Vancouver for the Fall 2007 semester.

Only students with a TOEFL score of 520 or higher (213 on the computer-based test or 79 on the Internet-based test) or an IELTS score of 6.0 or higher shall be considered for admission to the Pre-University Program. Upon arrival at FDU-Vancouver, all students will be tested in English and math in order to determine whether additional English-language training is necessary prior to taking ENGL1101 and to determine whether pre-calculus or calculus is the appropriate beginning point in math. The English and math tests administered to students prior to entering the Pre-University Program will be equivalent to those administered to first-time, full-time freshmen entering the University’s New Jersey campuses.

Early Start Program
The Early Start Program is designed for students who do not require additional English-language training prior to beginning their college program. Students admitted to this program and to the University shall be permitted to take ENGL1101 plus nine or (with MATH1107) 10 additional credits during the Summer 2007 semester, thus gaining a 12- or 13-credit early start towards their degree requirements.

Only students with a TOEFL score of 550 or higher (213 on the computer-based test or 79 on the Internet-based test) or an IELTS score of 6.0 or higher shall be considered for admission to the Early Start Program. Upon arrival at FDU-Vancouver, all students will be tested in English and math in order to determine whether additional English-language training is necessary prior to taking ENGL1101 and to determine whether pre-calculus or calculus is the appropriate beginning point in math. The English and math tests administered to students prior to entering the Early Start Program will be equivalent to those administered to first-time, full-time freshmen entering the University’s New Jersey campuses.
SCHOLARSHIPS

Fairleigh Dickinson University recognizes the academic potential of qualified applicants through scholarship awards and other programs. Scholarship amounts vary; however, full-tuition scholarships are extremely rare.

FDU-Vancouver Inaugural Student Scholarship

The scholarship is awarded to qualified full-time freshmen and the amount of the scholarship is based on academic merit and demonstrated financial need. The scholarship may be renewed annually at the same level of funding contingent upon successful academic performance.

The FDU-Vancouver Inaugural Student Scholarship Application (see pages 11-12), with all questions answered, must be submitted along with the Application for Admission for FDU-Vancouver to the Office of International Admissions. Scholarships are awarded only to newly admitted students, and currently enrolled Fairleigh Dickinson students may not apply.
