Welcome to Fairleigh Dickinson University’s Metropolitan Campus. As a transfer student, you join men and women of all ages and backgrounds who are pursuing their undergraduate degrees at the University.

To help you prepare for the upcoming semester, we've put together this checklist of things you'll need to do before you arrive on campus. We've included a list of important phone numbers, as well as policies and other information.

You'll also want to obtain copies of the following publications which can provide important and useful information.

- Undergraduate Studies Bulletin
  Available in the Office of Admissions or online

- Student Handbook
  Available online

Check out WebAdvisor (webadvisor.fdu.edu) to get information on open/closed classes, your class schedule, and more.

**Checklist**

- **SUBMIT TUITION DEPOSIT**
  Complete and return the Matriculation Form (also available at fdu.edu/admit) and $200 (nonrefundable) tuition deposit to the Office of Admissions. Once your matriculation form and tuition deposit have been received, you have completed all required tests and have submitted all official health records, you can register for classes. If you pay this deposit online, attach a copy of the payment receipt to the matriculation form before returning it.

- **COMPLETE HEALTH FORMS**
  According to New Jersey state law, all students – commuter or resident – must provide proof of immunizations to the University’s Student Health Services; **you will not be permitted to register for courses until you have submitted all official health records**. Please go to fdu.edu/admit to access the health forms your physician will need to complete. If you have questions, contact the Student Health Services at 201-692-2437.

- **SEND FINAL TRANSCRIPTS TO FAIRLEIGH DICKINSON UNIVERSITY**
  Arrange to have transcripts from all the institutions you previously attended sent to:

  Office of Admissions  
  Fairleigh Dickinson University  
  1000 River Rd., H-UP1-14  
  Teaneck, NJ 07666

  Call the Admissions Office at 201-692-2553 to be sure they have received **FINAL official transcripts** from all institutions you previously attended.
MAKE AN APPOINTMENT FOR TESTING (IF NEEDED)
Some transfer students are required to complete basic skills testing in English and/or mathematics before registering for courses. In these cases, the words “testing required” will be noted at the bottom of your checksheet.
Watch for information about dates for New Student Orientation or contact the Academic Resources Center at 201-692-2076.

RECEIVE ACADEMIC ADVISING AND REGISTER
All transfer students who have paid the tuition deposit, completed any required testing and submitted the appropriate medical forms are eligible to register for fall or spring classes.
To select your courses, contact the appropriate program adviser to schedule an appointment (see Academic Advising Contact List on page 3.)

OBTAIN A PARKING DECAL
Parking decals are issued free of charge by the Office of Public Safety which is located on River Road (201-692-2222).

Commuter Students: All commuter students are required to register their cars and park in designated areas.

Resident Students: Resident students are also required to register their cars and park in designated areas.

OBTAIN A STUDENT IDENTIFICATION CARD
Student photo ID cards are issued by the Office of Public Safety. All students must have a photo ID card in order to use the library and to be admitted to athletic events, social activities and other University functions.

SET UP YOUR FDU WEBMAIL ACCOUNT
All students will set up their Webmail accounts during orientation. You may link other accounts (Hotmail, AOL, etc) to this account.
Once you have your Webmail account, set up a Webadvisor account where you can access your schedule, financial aid information and degree audit.

TRANSFER STUDENT ORIENTATION
As a new member of the University community, you will want to make a smooth transition to the Metropolitan Campus. Because we are interested in your success, the Dean of Students Office has developed a special transfer student orientation program to help ease the transition process. Since college life involves more than just the classroom, you will have the chance to gain first-hand knowledge of the many activities, programs and support services the University offers. Orientation is also a great way for you to get acclimated to the campus, get to know new and current students, and meet some of our distinguished faculty and administrators. Every new transfer student is required to attend orientation. More information about orientation will be sent to you.

Other Important Information

GENERAL TRANSFER CREDIT POLICIES
In general, your credits were evaluated based on the following University policies:

1. Only credits earned at accredited colleges and universities are considered for transfer.
2. Only credits, transfer, not grades.
3. No more than 64 credits from a community college transfer into a 128-credit program; 60 credits maximum for Individualized Studies majors.

4. 96-credit maximum from a four-year institution; 90 credits for Individualized Studies majors.

5. Students with 30-59 transfer credits receive a substitution for CORE 2002: American Experience using ANY liberal arts course they took elsewhere. Students with 60 or more credits also receive a substitution for CORE 2003: Cross Cultural Perspectives.

6. Only grades of “C” or better are considered, unless the student earns an associate’s degree, whereas grades of “C-” or “D” are accepted as free electives.

7. Students with 24 or more credits receive a substitution for FRSH 1000 Freshman Seminar.

8. 50% of the major and minor must be completed at FDU; therefore, no more than half of the required credits can be in the form of transfer credit, AP or CLEP.

GRADUATING WITH HONORS
In order to graduate with honors (cum laude, magna cum laude or summa cum laude), transfer students MUST earn 64 credits at the University and meet all other requirements for achieving academic honors.
