Presentation Highlights

- Review insights from research linking culture to corporate performance and growth.
- Learn about a Roadmap developed to build a performance culture and case studies where it was road-tested, ranging from a start-up to a multi-national.
- Develop your own Roadmap to help you increase your impact in your organization.

Speaker: Rick Miller
President and CEO, Choices and Success

Rick Miller is a servant leader who has successfully worked as a President and/or CEO in companies ranging from a non-profit to a Fortune 10, and from a start-up with just $1M in revenue to a Global Fortune 30 firm with $22B in revenue whose stock was the most widely traded in the world. In each case, Rick was recruited from the outside to turn around poor performance in difficult times.

Rick has led teams that have repeatedly tripled the growth rates of million and billion dollar organizations, led a successful IPO during a market crash, and spent time in a war zone to ensure customer satisfaction.

Currently, Rick serves as President and CEO of Choices & Success LLC, where he acts primarily as an advisor and confidant to C-suite executives. He has been featured in Harvard Business Review, Selling Power, USA Today, Small Business Opportunities, Thomson Reuters, Yahoo, and MSN Business. He has an MBA from Columbia University, is the author of two books and has a third one, entitled Being Chief, due out later in 2013.
