The Student Global Ambassador Project (SGAP) provides unique global learning
opportunities for middle and high school students.

The overarching goals of the SGAP:

1. Expose middle and high school students to global issues.
2. Teach students about the role and function of United Nations.
3. Provide a venue to facilitate a discussion about global issues and to showcase to our
   students that their contributions are valued.
4. Develop a keen awareness and sense of responsibility regarding global citizenship among
   our students.

Partners

Urban League of Morris County, Inc.
The Urban League of Morris County, Inc. is one of 110 affiliates of the National Urban League,
and it has been a vital and necessary 501C3 non-profit community service organization for over
60 years. From its inception, the Urban League has always been a multi racial organization, and a
leading proponent of cooperation between cultures.

Office of Global Learning, Fairleigh Dickinson University
Established in 2001, the Office of Global Learning works to translate and implement the
university’s global education mission by supporting faculty, staff and students in developing
global, international, and cross-cultural programs across curricular and co-curricular domains and
on all of our campuses.
