PRESIDENT THE FDU INTERNATIONAL RELATIONS CLUB’S 1ST ANNUAL

SPEAK OUT

Ever wonder what conflict is like....

...on a personal level?

Join the International Relations Club (IRC) in finding out as students express their personal experiences with conflict in their home countries of Venezuela, Croatia, Bosnia, Afghanistan and the Ivory Coast. Refreshments will be provided. Time permitting, we will also be having a brief open mic segment afterwards for the audience to voice similar stories.

For more information, please contact the IRC at fduinternationalrelationsclub@gmail.com
