Use this information to complete question 3 on page 11 of this application. To determine the U.S. location that features your desired undergraduate program, consult the color-coded symbols beside each listing. For example, Accounting is offered at both U.S. campus locations, but Sociology is available only at the College at Florham.
Combined Degree and Accelerated Medical Programs

Fairleigh Dickinson University offers combined degree and accelerated medical programs for qualified students. If you are interested in any of these programs, ask an international admissions counselor for details.

**COMBINED DEGREE PROGRAMS**

FDU offers a wide range of “4+1” combined degree programs that let motivated students earn both a bachelor’s and master’s degree in just five years.

Our Combined Degree Advantage Program® rewards qualified students with continued scholarship support for graduate study in their fifth year at FDU. For more information, including scholarship criteria, visit www.fdu.edu/advantage.
